Remarks

It's a rare occasion that this combination becomes available. Overlooking a pond, brick raised ranch, 3 car garage, open floor plan, stone fireplace, 3 bedrooms and 2.5 baths in the Parkland Area School District. Ideal for downsizing in that all you need is combined on the main floor with guest or additional family space in the daylight, walk out, lower level. The master bedroom with ensuite bath has access to the rear deck for morning coffee. You'll enjoy a picturesque pond view from the expansive deck, brick patio or terraced rear lawn. The pictures tell this story best, have a look...
